*Morning Regimen:* Cleanse/Tone, Correct, Moisturize, Protect

*Evening Regimen:* Cleanse/Tone, Correct-Rejuvenate, Protect

### **HA5 Rejuvenating Hydrator**

- Contains 5 HAs
  1. Time Release HA for sustained release of HA and active ingredients
  2. Sodium Hyaluronate for medium hydration
  3. Uncross-linked HA for smoothness and hydration
  4. Nano HA soothes skin
  5. Cross-linked HA provides long-lasting hydration for up to 8 hours
- Vitisence Technology for long-term results
  - Vitis Flower Stem Cell Extract (Proprietary, potent antioxidant)
  - Peptide Complex (Supports skin rejuvenation and hydration)
  - Marine Polysaccharides (Supports epidermal health)
- First and only clinically proven rejuvenating hydrator that supports overall epidermal health
- Immediate and long term benefits: Instantly hydrates, skin instantly appears and feels smoother, enhances skin texture, smooth's the appearance of fine lines around the eyes and on the forehead, helps support the skin's natural ability to replenish HA

### **HA5 Smooth and Plump Lip System**

- 2-step treatment clinically shown to plump the appearance of lips while providing the same smoothing and hydrating benefits of HA5 Rejuvenating Hydrator.
- Key Ingredients: HA5, Vitisence Technology, Benzyl nicotinate
- Key Benefits: Plumps the appearance of lips, Improves overall lip condition and hydrates, visibly enhances rosiness, visibly smooths fine lines

### **Defense-Revitalize: Lumivive System**

- Day
  - High-energy visible (HEV) light, found in LED lights and screens can cause accelerated skin aging, dark spots, wrinkles, and saggy or loose skin.
  - Blue light penetrates deeper than UV Rays (down to the hypodermis)
  - Protects against the effects of pollution
  - Environmental pollution contributes to skin aging, pigmentation, itchy or dry skin, and blemishes.
  - Lumivive day key ingredients go above and beyond ordinary antioxidant formulations for daytime defense against blue light and environmental pollutants.
  - Key Ingredients: Theobroma Cacao Seed Extract (blue light protection), Alteramonas Ferment Extract (environmental pollution protection), bioflavonoids (bio-barrier)
- Night
  - Optimizes skin recovery by
    - Detoxifying the skin of environmental impurities that build up during the day
    - Helping to restore those mechanisms compromised by aging
    - Revitalizing the skin by restoring its essential nighttime repair process
  - Lumivive night key ingredients supercharge the skin's nighttime recovery and detox process, for a healthier-looking, luminous appearance.
  - Key Ingredients: Mitoquinol Mesylate (Mitochondrial protection and helps support adenosine triphosphate (ATP) levels to recharge and invigorate skin), Mirabilis Jalapa Callus Extract (detoxifies skin), Pentapeptide-334 Trifluoroacetate (supports endogenous CoQ10 and ATP levels to recharge and invigorate skin)

## Lytera 2.0

- Key Benefits: formulated to provide efficacy in diverse skin tones, reduces the appearance of hyperpigmentation, helps optimize results of multiple-treatment approach, non-hydroquinone, retinol-free, paraben-free, fragrance-free, non-comedogenic formulation
- Key Ingredients
  - Tranexamic acid: helps correct the appearance of hyperpigmentation
  - Phenylethyl resorcinol: helps support melanin balance to correct the appearance of hyperpigmentation
  - Niacinamide & tetrapeptide-30: helps prevent the appearance of new spots while visibly balancing the appearance of skin tone
  - Marine extract blend: helps to correct and prevent the appearance of hyperpigmentation while supporting a healthy skin barrier`
  - Phytic acid: enhances skin texture and promotes even looking skin

## Correct-Age Defense: Retinol Complex

- Formulations: 0.25, 0.5, 1.0
- Key Benefits: renews skin and diminishes the appearance of fine lines; retinol supports skin turnover leading to dramatic results for skin tone, texture, resiliency
- Significant results at 4 weeks and dramatic results in 12 weeks
- Retinol: derivative of Vitamin A, metabolic precursor to tretinoin (retinoic acid RA)
- Phytoshield Complex: protects against dermal moisture loss and provides hydration while soothing retinol-related irritation; stabilizes retinol and prevents degradation; carriers retinol into skin
- Exclusive formulation for absorption that minimizes irritation commonly associated with topical retinol products while also maximizing retinol delivery
- Key Ingredients: Retinol, Niacinamide, Magnolia grandiflora (southern magnolia tree bark extract), Dunaliella salina (derived from Dead sea microalgae), Palmitoyl tripeptide-8

## TNS® (Tissue Nutrient Solution) Advanced+ Serum

- Key Benefits: the only growth factor serum proven to address sagging skin, smooths the appearance of coarse wrinkles and fine lines, visible results starting in just 2 weeks with progressive results even at 24 weeks.
- Growth factors are naturally secreted proteins that act as communication molecules between the various cells within the skin. Over the course of aging the production of growth factors decrease. Supporting a healthy level of growth factors allow the skins repair and remodeling functions to happen more efficiency. Resulting in visible skin rejuvenation.
- Two Chambers
  - Chamber 1: TNS®- MR
    - Next generation growth factor blend that supports all layers of the skin
    - Innovative peptide complex that supports the dermal extracellular matrix
    - 450 natural growth factors, cytokines, stem cell factors, and other matrix proteins
  - Chamber 2: Renaissance (RSC) Advanced
    - Highly active blend of botanicals, marine extracts, and peptides designed to support the efficacy of the growth factor chamber, including French seed extract, green microalgae extract, Spanish marine exopolysaccharides.

## TNS® Essential Serum

- Key Benefits: Reduces the appearance of fine lines and wrinkles, enhances skin texture, enhances skin tone
- Clinically shown to reduce the appearance of fine lines in 30 days.
- Two Chambers
  - TNS® Recovery Complex
    - More than 380 growth factors, cytokines, and matrix proteins
- APS Corrective Complex
- Blend of antioxidants, peptides, and specialty ingredients including HA filling spheres

## TNS® Recovery Complex

- Key Benefits: Rejuvenates skin's appearance, reduces appearance of fine lines and wrinkles, enhances skin texture, contains 93.6% TNS®

- TNS® contains more than 380 growth factors, cytokines, and matrix proteins
- Key Ingredients: TNS® growth factor blend

#### **Essential Defense**

- Key Benefits: defends against UVA, UVB rays; oil free, fragrance free, paraben free, noncomedogenic, hypoallergenic
- Formulations: Everyday Clear Broad Spectrum SPF 47 Sunscreen, Mineral Shield Broad Spectrum SPF 32 Sunscreen Tinted, Mineral Shield Broad Spectrum SPF 35 Sunscreen
- Offers broad spectrum coverage through
  - Physical Blockers
    - Contain active mineral ingredients (titanium dioxide, zinc oxide)
    - Works at the skin's surface to deflect and scatter UV rays
  - Chemical Absorbers
    - Contain active organic ingredients (avobenzone, Octisalate)
    - Work to absorb UV rays and then convert them to heat that is released from the skin

#### **Total Defense and Repair Broad Spectrum Sunscreen SPF 34**

- First and only rejuvenating Superscreen that is shown to improve appearance of sun-damaged skin in 2 weeks
- Key Benefits: Rejuvenates photodamaged skin, reduces the appearance of fine lines and wrinkles, protects against infrared rays, enhances skin tone, texture, and smoothness, protects against UVA and UVB rays
- Formulations: Tinted and not Tinted
- SOL-IR Advanced Antioxidant Complex
  - Dunaliella salina extract (protects against free radicals, brightens skin, supports extracellular matrix)
  - Polygonum aviculare extract (protects against infrared rays, soothes skin)
  - Physalis angulata extract (smooths skin, supports extracellular matrix)
- Specialty Ingredients include: green tea leaf extract, 2 forms of Vitamin E, Niacinamide, Ubiquinone, Melanin, Hydroxy-acetophenone
- Can be used on the face and body
- Active Ingredients: Octinoxate 7.5%, Octisalate 3.0%, Titanium dioxide 3.5%, Zinc Oxide 8.0%

#### **Total Defense and Repair Broad Spectrum Sunscreen SPF 50+**

- Water Resistant up to 80 minutes
- Active Ingredients: Homosalate 6.0%, Octinoxate 7.5%, Octisalate 5.0%, Zinc oxide 10.0%
